

# NS-21

## Semi-Automatic Gyoza Forming Machine

- Placing each dough sheet enables the machine to work consecutively.
- The operation is easy and user-friendly.
- Any size can be changed by replacing optional parts.
- The portions that touch the surface of a dough sheet are always kept clean, because they are easy to be dismantled and washable.
- The minimum adjustment of ingredients is also easy and simple.
- The maintenance and inspection needs no special work because of its compact body configuration.
